THE METROPOLITAN EXAMINATION

FOR THE

Diploma of Licentiate'ship of the Royal Academy of Music.

This Examination is held twice a year, and is open to
**MUSICAL COMPOSERS, CONDUCTORS, PERFORMERS
AND TEACHERS,**

whether educated at the Academy or not.

The Examination takes place at the ROYAL ACADEMY OF MUSIC, LONDON, during the Academy Summer and Christmas vacations. The Summer Examination is held during the last two weeks of September, and the Winter one usually occupies the last two weeks of December and the first week of January. The present syllabus applies to both periods of examination, and Candidates may enter for either or both periods. Candidates who enter for both periods in one year may repeat their pieces at the Second Examination, or present different ones selected from the same lists, as they may prefer. In choosing their pieces Candidates are advised to be careful to observe the requirements stated at the head of each Subject of examination, as the presentation of a wrong piece or failure to fulfil any of the essential conditions of their entry will render them liable to disqualification.

Candidates desiring to be examined during the first period (September, 1904) must enter their names upon a form to be obtained from the Secretary, and remit the same to the Secretary, together with the entry fee of five guineas **not later than the 30th June.** A Candidate having entered for this period will have the option of transferring his or her examination to the Christmas period on giving notice to the Secretary not later than the 30th July, without payment of any further fee.

Candidates desiring to be examined during the Second period (Christmas, 1904) must enter their names and pay a fee of one guinea **not later than the 31st October**, and a further fee of four guineas **not later than the 30th November.** In the event of a Candidate failing to pay this latter fee in due time the preliminary fee of one guinea will be forfeited.

Any Candidate failing to attend for examination at the time appointed will forfeit the entry fee paid—except in cases of serious illness, notified to the Secretary at least three clear days before the time appointed for examination, and verified by a medical certificate. In such cases, a portion of the entry fee may, at the discretion of the Committee, be transferred to the following examination. **In all other cases of re-entry the full fee must be paid.** Candidates desiring to be examined in two Subjects must pay the full fee in each Subject.

Candidates for examination at the Christmas period may, when completing their entry, indicate whether they would prefer to be examined before or after Christmas Day. The Secretary will endeavour to comply with the wishes thus expressed, but cannot guarantee doing so; and in any case Candidates must accept the dates and times allotted to them.

All Candidates (except in Subjects I., VI., and VIa., and excepting such as hold any of the following British diplomas:—Mus. Doc., Mus. Bac., F.R.A.M., A.R.A.M., L.R.A.M., A.R.C.M., F.R.C.O., and A.R.C.O.) will be required to work a paper on the Rudiments of Music, Musical Ornaments, and on Harmony, as far as the chord of the dominant seventh, with inversions.* Candidates in Subjects II., III. (with certain exceptions) and IV. are required to work an additional paper, particulars of which are given on pages 8, 12, and 14. Candidates claiming exemption from the paper on Rudiments of Music must send proofs in support of such claim, with their application. This exemption does not apply to the special papers in Subjects II., III., and IV.

The paper work may be done on the same day as the practical examination, or, if the Candidate so prefer, on the day previous, or the day after it, except those called for the practical portion on the first or last day of the examination. The Academy is closed on 24th and 26th December.

In order to pass, Candidates are required to obtain at least seventy-five per cent. of the possible number of marks in each separate branch of the examination.

Those who succeed in the practical branch but fail in the paper work will be permitted to attend either of the next two Examinations, in that branch only, on payment of a further fee of one guinea; but if they then fail must undertake the whole of the examination and pay the full fee should they again become Candidates.

* Among others, the following Books will be found useful:—"Elements of Music," F. W. Davenport; "Introduction to the Elements of Music," F. Niecks; "Rudiments of Music," Stewart Macpherson; "Harmony," Stainer (Primer, No. 8, Novello); "Harmony," Prout; "Practical Harmony," Stewart Macpherson.

Those who succeed in the Rudiments paper, but fail in the practical branch, will, if attending at either of the next two examinations, be exempt from again working the said paper. The same applies to the paper on Form and Teaching for pianoforte candidates, (Class A and Class B). Candidates who passed in this paper work but failed in the practical portion at Michaelmas or Christmas, 1903, will therefore be exempt from the paper work in 1904 at either examination. Such Candidates will, however, be required to pay the full fee.

No special fingering is required in Subjects III., IV., and V., nor need any particular edition of works be used, except where expressly mentioned.

Candidates who satisfy the Examiners in both portions of their examination (theoretical and practical) in any subject will be created **LICENTIATES OF THE ROYAL ACADEMY OF MUSIC**. They receive a Diploma to that effect, signed by the Principal of the Academy and a Director; and have their names publicly announced. The Licentiate Diploma certifies that the recipient is, in the judgment of the Examiners, competent to practise the specified branch of the musical profession. The Diploma also states whether such competency be as a composer, performer, or teacher, or any combination of these.

Licentiates have the exclusive right to append the initials L.R.A.M. to their names.

In the absence of any request to the contrary, the Diplomas will, after they have been formally submitted to the Board of Directors at their meetings held in March and December, be sent to the addresses given by the Candidates on their forms of entry.

Candidates who have satisfied the Examiners in any class, of any subject, will be eligible as candidates in any other class of the same subject at a subsequent examination.

On payment of an enquiry fee of five shillings Candidates will (after the completion of the examination) be supplied with a statement of the marks awarded to them in each branch of their examination. This statement will be supplied only to Candidates.

The Committee of Management reserve to themselves the right of varying the Boards of Examiners and of appointing Examiners in addition to those herein specified, should occasion arise.

Examination Papers of three former years in Subject I., the Papers on Rudiments of Music (Nos. 11 to 22 and 36 to 39 inclusive, sixteen in all), and six Papers on Form and Teaching (E, F, G, H, I and J) for Pianists, may be purchased at the Academy. Price Sixpence each paper.

They will be expected to play at the Piano four-part exercises written in open score (with the use of the Alto and Tenor clefs), also examples of chords and their treatment; they may also be given ear tests in the naming of intervals, cadences and harmonic progressions.

Class A, PERFORMER AND TEACHER; Class B, TEACHER;
Class C, PERFORMER.

THIS EXAMINATION IS INTENDED PRIMARILY FOR TEACHERS, AND THE GENERAL REQUIREMENTS ARE FRAMED ACCORDINGLY. THE EXAMINERS, HOWEVER, HAVE AUTHORITY AS HERETOFORE TO CLASSIFY SUCCESSFUL CANDIDATES IN EITHER CLASS A, B, OR C ACCORDING TO THE QUALITIES DISPLAYED BY THEM RESPECTIVELY. NEVERTHELESS, IT IS PERMITTED TO ANY CANDIDATE ON ENTERING TO REQUEST TO BE EXAMINED SOLELY AS A PERFORMER, —CLASS C.

Class A, PERFORMER AND TEACHER.

Candidates to pass in Class A must fulfil all the requirements for Class B, and must exhibit a higher standard of excellence in performance. In addition, the three test pieces selected must be from amongst those marked *, and one of them, at least, must be played from memory.

A Candidate in Class A, who fails in playing from memory, will thereby be disqualified from passing in that Class, but may, if the other tests be satisfactorily dealt with, be passed in Class B (Teacher).

Class B, TEACHER.

Candidates desiring to pass in Class B will be required to satisfy the Examiners in the following tests:—

They must be prepared to play the whole or portions of a piece of their own selection from each of the three lists on pages 13 and 14 (three pieces in all).

To play at first sight the whole or portions of a piece selected by the Examiners.

To play (from memory) all or any of the following scales and arpeggios:—

(A.) Major, harmonic and melodic minor, and chromatic scales, the hands commencing a third, sixth, eighth, or tenth apart, in similar and contrary motion, except in minor scales in the melodic form, which will be required in similar motion only, an *eighth* apart.

(B.) Major and harmonic minor scales in double thirds in similar motion only.

(C.) Chromatic scales in double minor thirds in similar motion only.

SUBJECT III.—PLAYING ON THE PIANOFORTE—*Continued.*

(D.) Major, harmonic and melodic minor, and chromatic scales in double eighths in similar motion, the hands commencing an eighth apart.

(E.) Scales in double eighths in contrary motion in *major* keys only, both hands commencing on the key note.

(F.) Arpeggios of major and minor common chords and their inversions, and dominant sevenths and their inversions, in similar and contrary motion, the two hands to play the *same* position, of the chord.

All the scales and arpeggios, as above stated, to be played with *legato* and *staccato* touch:—not less than three octaves in similar motion and two octaves in contrary motion. The *staccato* touch to comprise both *finger* and *wrist staccato* (except scales in double thirds and double octaves, which will be required with *wrist staccato* only). The scales and arpeggios to be played by each hand separately or with both hands together, descending and ascending, and to begin on the highest or lowest note at the discretion of the Examiners.

All good methods of fingering in the Scales and Arpeggios will be accepted. No special methods are insisted upon.

The judicious use of the pedals will be taken into account.

Candidates will also be required to answer questions on Touch, —the action and position of the arm, hand and fingers in playing, and on the fingering of passages selected by the Examiners from classical compositions for the pianoforte. Candidates are given an opportunity of studying the paper of Tests in Fingering half-an-hour before their practical examination.

To work a paper on the general principles of Form, as exemplified in pianoforte compositions, and on the training of pupils, with special reference to the eradication or prevention of faults most frequently found in young pianists, and on the phrasing of given passages. The paper may also include questions as to the studies and pieces most suitable for particular grades of students.*

To work the paper on Rudiments of Music, &c., specified on page 4.

In order to pass, a Candidate must obtain 75 per cent. of the total number of marks in the practical branch.

Candidates who are blind will be required to fulfil all the conditions set forth above excepting the sight reading test; and they will be required in addition to transpose a short phrase dictated by the Examiners, and to improvise on a given theme.

The Examination will last about half-an-hour.

* A useful book on the subject of Form is "*Rhythm Analysis and Musical Form*," Burtenshaw (Longmans). No book on Teaching can be recommended, as the questions are set with a view to eliciting the practical knowledge of the candidate derived from personal experience.

SUBJECT III.—PLAYING ON THE PIANOFORTE—*Continued.*

Class C, PERFORMER.

Candidates entering as PERFORMER (Class C) must fulfil the whole of the requirements for Class A, excepting that they will be exempt from working the paper on Form and Teaching.
